

Surface Hub 2S

Designed for the Modern Workplace

Bring remote teams together

Be seen, be heard, and actively participate in the group discussion with best-in-class technology.

- Engage remote teams with the Surface Hub 2 Camera,¹ far-field mics, and crystal-clear speakers.
- Videos look clear and crisp on a brilliant, 4K+ screen with the highest resolution and best graphics performance in its class.²
- Run remote meetings and make ad-hoc calls seamlessly with Microsoft Teams.³

Microsoft Teams for Surface Hub

Fluid team collaboration

Everything you need at your fingertips. Use Microsoft Whiteboard and leading industry apps to keep teams in their flow. Access and share content easily from one device.

Interact naturally with Surface Hub 2 Pen¹ and touch, and sign into Surface Hub 2S to grab your OneDrive files or project wirelessly with Miracast.

Take team brainstorming to the next level with Microsoft Whiteboard, a persistent digital canvas that teams can contribute to anytime, anywhere—across devices.

Use the apps you need—take advantage of native integration with Office 365,³ Edge, and leading third-party apps.⁴

¹ One (1) Surface Hub 2 Pen and one (1) Surface Hub 2 Camera included with Surface Hub 2S. Additional accessories sold separately.

² Comparison by Microsoft of Surface Hub 2S to all other devices within the Futuresource-defined Integrated Unified Communications Displays category (integrated solutions incorporating video, content and audio-conferencing features with a display providing an end to end hardware and platform solution, optimized to support a specific UC platform), as of April 2019.

³ Software license required for some features. Sold separately.

⁴ Third-party apps sold separately

• Steelcase Roam™ Mobile Stand and APC™ Charge Mobile Battery sold separately.
