

Designed for education, IMPACT™ is the perfect all-round solution for the classroom.

NEW

Connectivity

Huge connectivity including one of the latest USB-C ports. Allows single cable connection for audio, video and touch.

Comprehensive Warranty

No ongoing subscriptions charges.

Audio

2 x 15W speakers for crystal clear sound quality from anywhere in the room.

Cloud Accounts

Sync with your Cloud accounts so that you can work anywhere at any time.

 Google Drive

 OneDrive

NEW

Infinity Whiteboarding

Never run out of space with our infinite canvas. With numeracy tools, handwriting-to-text recognition, and the ability to insert images and shapes, all of which can be saved, printed, or shared to student devices.

High Precision Technology

Our patented Super Glide Touch technology offers the most fluid writing experience on a touchscreen. It's as smooth as writing on a whiteboard - with no lag. With the ability to differentiate between palm-erase, fingertouch, and stylus-writing, there's no need to change settings mid-flow.

Remote Management

View, control, update and troubleshoot remotely. Your IT office can work on your Clevertouch screen without needing to come to the classroom. You'll always have the latest versions of apps and software without needing to install any files when you should be teaching.

NEW

LUX 8.0

Easy to use interface. Simple, quick, intuitive apps and gestures designed to make everyday tasks seamless.

Cleverstore

Access hundreds of free teaching apps to make lessons more engaging.

NFC Pen Tray

With the NFC pen tray teachers can be assigned with a fob card that carries all their settings and accounts, so there is no need for a lengthy log-in process (Optional extra).

How IMPACT™ works for your school

Save time lesson planning with subscription free software

Apps for Blended Learning

Screen mirroring with built-in teacher controls

Making interactive content

High Precision Technology

Sending messages, alerts, and media to all

Quick Launch Menu for instant teaching tools

Your most commonly used apps are available with one touch and are easily accessible via the Quick Launch Menu.

Annotation tools can be accessed at any time, keeping lesson flow smooth and simple, ensuring increased student engagement.

The Clevershare App is free to download and compatible with Android, Windows, iOS and Chrome devices. Up to 50 devices can connect with the Clevertouch screen and share content – images, video, and audio. The presenter has full control over what is shared, and can show up to 4 device screens simultaneously, increasing student collaboration and participation within every lesson. Now includes touch-back.

Make notes, diagrams or images, add and scroll through multiple pages, insert an image or change the background colour. Now includes handwriting and formula recognition.

Double click on files to open them, as well as easily copy, cut and paste, so it's just like using a PC. Personal Cloud Storage integration.

Explore the internet without needing a computer, using the IMPACT™, Chrome and Chromium browsers.

Cleverstore contains hundreds of apps in all subjects and a range of languages, including literacy, STEAM and languages. Each app is tested by our team, to make sure no adverts, in app purchases, or inappropriate content gets through. We've partnered with the most popular educational app developers to give you apps that you can really make use of in the classroom.

Easily go back to recently used apps using the Active button with split screen mode.

Protect your Clevertouch with a password by using Lock.

All of the integrated apps and the apps you've downloaded from the Cleverstore can be found here.

All your favourite apps in one place, including Settings.

Floating annotation tool - Annotation, voting, spotlight, handwriting, timer, stopwatch, snipping and zoom tools.

All included in panel pricing, and no on-going costs

CleverMessage™

EXCLUSIVE TO
CLEVERTOUCH

With CleverMessage™ your Clevertouch isn't just a screen for teaching, it's also a communications tool. Use it to broadcast messages, alerts and important information to students, staff and visitors.

It's so easy and free to use!

- 1** Create an online account and connect your Clevertouch screens.
- 2** Add your logo, school colours, images, YouTube channel, videos, posters and more.
- 3** Choose your template and schedule your alerts.

— DO IT —
your way
Seamless integration

Flexible IT Computing Solutions

Upgrade to a Windows 10 Pro state-of-the-art latest Intel® OPS module.

CLEVERSTORE®

Download your favourite Apps or search our FREE to use Cleverstore.

Flexible Messaging Solutions

Daily news and activities

Weekly lunch menu

Live video messages from the school office

Emergency announcements and fire drills

From height adjustable mobile trolleys to wall mounts, we have a variety of solutions available to make your installation complete.

[clevertouch.com / accessories](http://clevertouch.com/accessories)

Google for Education

chromebook

G Suite

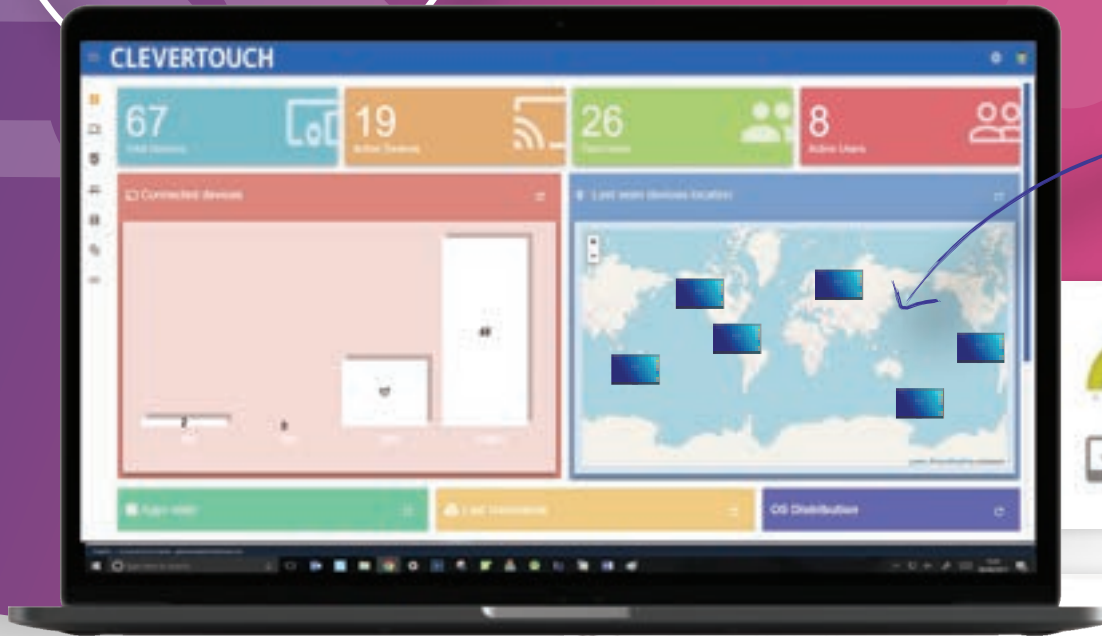

Using a Certified by Google Chromebook you can access the easy-to-use Google Classroom interface, allowing you to quickly create, save and share content.

All included in panel pricing, and no on-going costs

MDM & OTA functionalities mean you can control multiple Clevertouch devices, wherever they are!

Remote Management

IT departments and school administrators can take control with our MDM and OTA functionalities. No need to visit each classroom to upgrade or troubleshoot, now it can all be done remotely.

An overview of all your Clevertouch displays

Update or Remove apps

View status information

View the Clevertouch screen

Install apps and files

Push messages to the Clevertouch

Lock and unlock a Clevertouch

Restart or Shutdown your Clevertouch

Add tags so you can group your Clevertouch fleet

View Individual Clevertouch Screens, update apps settings and more!

Instant Over-the-Air Updates (OTA)

The new Over-the-Air technology means that new features, bug fixes, software and hardware updates can be seamlessly delivered to every Clevertouch screen. With just the click of a button the Clevertouch screen will search for the latest

firmware update and install it, giving you instant access to the latest apps and features. Patch fixes no longer have to be downloaded onto a USB and uploaded manually, giving IT Managers more time and less hassle.
