Poly and Google

Simplifying the new era of work.

Great things happen when you bring people together. Poly and Google power a diverse range of hardware and cloud solutions to deliver meaningful and authentic experiences that aim to bring the digital world to everyone. Poly continues to innovate, helping people be more productive by creating unique collaboration solutions that are easy to use and improve how people work together.

We collaborate so you can too.

Poly makes it easy to integrate seamlessly with Google Workspace and ChromeOS. No matter what your platform, we deliver the collaboration tools to get the job done. Poly is committed to working with Google to maintain up-to-date interoperability with the latest major platform releases.

MEETING EQUITY FOR EVERY SITUATION

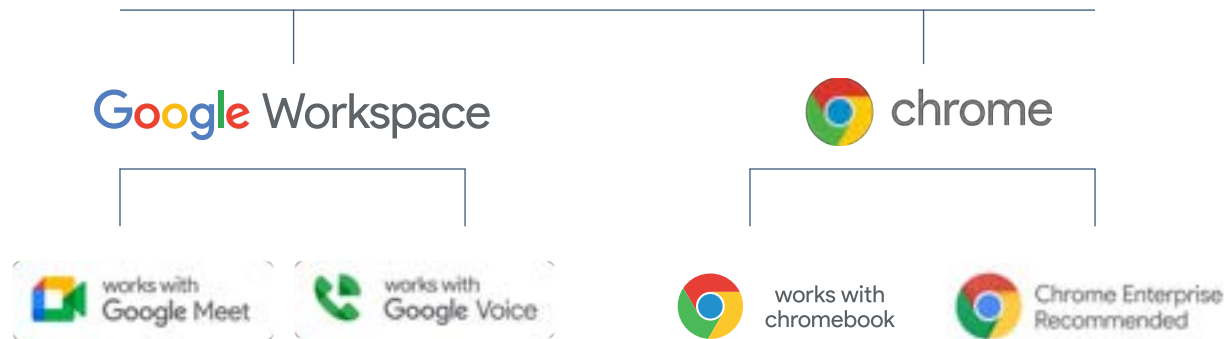

Work is no longer a place, it's what you do and how you do it.

Poly provides purpose-built solutions certified and optimized to work with Google Workspace and ChromeOS, whether your team is in the office or anywhere else.

- Beautifully designed devices to elevate your team's professional image.
- Crazy good audio and video that gives everyone the opportunity to shine.
- Poly manufactures the only desk phones certified to work with Google Voice.

**ENTERPRISE-READY DEVICES BUILT FOR EXTRAORDINARY, USER-FRIENDLY AUDIO AND VIDEO EXPERIENCES.
OPTIMIZED AND CERTIFIED TO WORK WITH GOOGLE.**

**EASY.
SMART.
FLEXIBLE.**

EASY FOR IT TEAMS

Poly devices are easy-to-install, manage, and use - optimized for Google Cloud products.

SMART FOR BUSINESS

More ways for your teams to communicate, collaborate and improve their productivity.

FLEXIBLE FOR USERS

Our devices are built to support all users, whether they're at their desk or on the go.
